

CAMBRIA

DALLAS

Cambria Dallas embodies an era defined by luxury, glamour and exuberance of the stylish Art Deco period designed with modern comforts, savvy technologies, and plush amenities presenting upscale accommodations and services with artistic charm and a culturally rich heritage.

Tower Petroleum Building is an iconic Dallas landmark featuring Zig-zag Moderne architecture, reminiscent of 1930's contemporary style and fine craftsmanship. Cambria Dallas is home to the repurposed building, restoring original brass, terrazzo tile, and marble materials into new design for authenticity and artistic flare.

This boutique hotel is in the Harwood Historic District of downtown. Steps from The Majestic Theater and Neiman Marcus, minutes from Deep Ellum, Dallas Farmer's Market, Klyde Warren Park and the Dallas Convention Center. Ideal for easy access to all of downtown and Dallas' treasures, beginning with the newest jewel in Cambria Dallas.
